

The Price Family Christmas News 2011

2011 has been a productive one in the Price family

Tom and Annie had a baby girl, *Bethan Catharine*, on 26th April.

Annie has now gone back to work (cancer research in Oxford) and Bethan seems to be enjoying nursery where she starred as Little Miss Christmas at their 'Nativity play'.

Tom continues to commute to London. Their house is in chaos at present while they have the kitchen extended.

Martha and Paul continue to live in London. Martha has cut her teaching down to 3 days a week and is spending her spare time story writing. They bought their first car in the summer and enjoy travelling and entertaining.

Naomi, Alex & Libby are not far from us in Haddenham.

For most of the year Libby came to us for half a day - great fun - but now goes to nursery three days a week while Naomi's at work. We see them most weeks on her days off.

Alex started a new job in Aylesbury - a short bus journey from home, so is enjoying seeing more of Libby - and Naomi.

Esther and David also had a baby girl *Charlotte Grace* (Lotte) on 26th May weighing in at 9lbs 4oz and growing fast. They are enjoying parenthood (*Esther* says she's perfect and amazing), though *Dave* is very busy at the hospital. *David* is planning to move into GP training next summer and hoping they can stay in Cambridge.

Meanwhile the oldies continue in good health.

Alison retired from *Brookes* at the end of January, but carried on with some teaching until the summer. She has also written a book on early years maths education. Helping in the parish and the Diocesan Board of Education, trying to sort out the house, and knitting for and enjoying the grandchildren keep her busy.

Tony continues to read voraciously (increasingly on Kindle rather than paper) and in November wrote a short novel for National Novel Writing Month (only available on request!) He is looking forward to a Sabbatical in the summer of 2012. The Parish continues to keep us busy with its highs and lows.
